Sir,

Sub: Licence - Dangerous and offensive trades - Nellikuppam Panchayat Board - South Arcot District - Manufacture of yeast.

In enclosing herewith a copy of letter No.Roc:C.I. 75/45 dated 17-2-45 of the Executive Officer, Nellikuppam Panahayat Board, I invite Government's attention to my letter L.Dis. No.27529-HYG/45/7 dated 30-10-45 disposed of in G.O.No.2997 P.H., dated 18-18-10 -46. In the amendment to the Schedule to the Madras District Municipalities Act and the Madras Local Boards Act issued in the above G.O., the trade 'manufacturing of yeast' has not been included. As already stated in para 2 of my letter referred to above, the processes involved in the manufacture of yeast are likely to cause nuisance from waste water and offensive odours. I therefore req- suggest that the trade may be included as a separate clause under the schedules V & VII of the Madras District Municipalities Act and Madras Local Boards Act respectively .

Sd/-xxxxxxxx,
for Director of Public Health, Madras .

Copy of letter Roc.AI-75/45 from the Executive Officer, Panchayat Board, Nellikuppam to the Director of Public Health, Madras.

Sub:- Public Health- Nellikuppam Panchayat Board - Dangerous and offensive trade - licensing of yeast.

Ref: Your letter D.No.281 HYg of 46 dated 18-12-46.

In this office letter Roc.A.I/75/45 dated 22-2-45, addressed to District Officer, South Arcot and other correspondence thereon addressed to your office instructions were solicited as to whether the manufacture of yeast is licensible under section 193 of Madras Local Boards Act 1920 as amended. But in the Director of Public Health's letter cited above, which is stated to be communicated in reply to this office reference noted in para I, no mention has been made in respect of manufacture of yeast and the scop for licensing the said trade.

I therefore request you to be so good as to kindly inform this office whether it is permissable to license the manufacture of yeast under the Madras Local Board Act 1920 as amended at your earliest convenience.
